I am 18 years or older and the legal owner/guardian of the above mentioned animal. I realize that there are inherent risks to any vaccination or medical procedure. I agree to expressly waive and relinquish, completely release and forever discharge HSTT, its volunteers, representatives and staff, any individual veterinarian, or other organizations participating in the outreach event and their volunteers and staff (the "Released Parties") from any and all claims, actions, causes of action of any kind whatsoever, loss or liability which I now have or later may have against the Released Parties, and which in any way result from, arise out of or are in connection with any vaccination or medical procedure received by the above mentioned animal from the Released Parties, whether or not such claims, actions or causes of action may be attributable to the negligence or carelessness of the Released Parties or their representatives. I understand that the treatments and procedures, which the animal named above will be receiving today, will be provided by a Registered Veterinary Technician (RVT) who is acting as an agent of a veterinarian for purposes of administering preventive or prophylactic vaccines or medications, as applicable, to the animal named above. I understand that the clinic is not a full-service veterinary hospital, and does not provide emergency, after hours, or weekend care.
